

The Baptist Record

"THY KINGDOM COME"

OLD SERIES VOLUME No. XLIV.

Jackson, Miss., March 9, 1922

New Series Volume XXIV, No. 9

Does the music you hear stir your feet, or move your soul?

You will enjoy the sermon in rhyme by brother Joel D. Rice of Carcilla. Send him 25 cents and get a copy.

Baptists ought to "beat the Jews" when it comes to giving. The Jews gave a tenth. It your religion better than that of the Jews?

Dr. T. W. Gayer of Orlinda, Tenn., preached for the church at Clinton last Sunday. He was once the highly esteemed pastor at Aberdeen.

Why not come back to Mississippi? Rev. W. H. Evans has resigned at Citronelle, Ala. He was once pastor at Wesson.

There are said to be in Russia now 2,000,000 Baptists, making them the second largest Baptist body in the world.

There are more Jews in New York City than in all Asia, Africa, South America, Australia and Great Britain combined.

More than 19,000,000 letters go to the dead letter office in the United States every year because of imperfect or improper address.

The Forest Church on last Sunday extended a unanimous call to pastor Summers of Boonville. He has not yet given his answer.

Some of the Texas brethren are "sho after Brer Norris' scalp." The choir in the First Baptist Church of Ft. Worth will please turn to and sing, "There'll be a Hot Time in the Old Town."

A Presbyterian layman in Arkansas, Mr. A. B. Banks, has presented every Presbyterian preacher in his state with a life insurance policy for \$1,000 on which the donor will keep the premiums paid.

Dr. Hubert Work, who has been First Assistant Post-Master General was promoted to the head of the department upon the deposition of Mr. Will Hays.

One college president says, "The churches have given one percent of their sons and daughters to the colleges, and the colleges have given back 90 per cent of the church's ministers and missionaries."

Baptists believe in all their souls in absolute freedom of conscience, freedom to believe and practice as one pleases in matters of religion. But believing in freedom and exercising it do not make one a Baptist.

Because Iceland forbids the importation of alcoholic liquors for beverage purposes, Spain, which has been shipping wine to Iceland, threatens to boycott fish from Iceland. Why didn't Spain tackle your Uncle Sam?

When Cornelius knelt before Peter, he was told to get up and cut out that foolishness for Peter himself was only a man like Cornelius was. But these popes who parade their titles as successors of Peter must have their toes kissed as being the vicegerant of God on earth. If Peter should come to Rome today he'd kick that whole bunch out the back door.

"The Student Volunteers will have their meeting in Meridian on Thursday, March 23, in connection with the Sunday School Convention. They will have a special speaker for the occasion whose name will be announced in next week's Record."

The Community Bible School at Roxie will begin on Monday, March 7th. All visitors will be entertained free. Send your names to S. L. Meddleton at Roxie. This is especially for Franklin County Association.

Evangelist W. L. Spinks has just assisted in a great revival meeting at Glenwood Church, Easley, S. C. One hundred and ten people were received on profession of faith.

Rev. J. M. Gurley becomes Associate Editor of The Word and Way of Kansas City. His business is to look after the people and interests in Kansas and other Western states.

In the three days Bible School at Eupora last week Superintendent J. G. hCastian brought the young people from the A. H. S. to the Bible study hour each morning. They were as attentive as any part of the congregation.

The Baptist Courier speaks of "the hysterical clamor against an atheistic evolution in some of our Southern papers." Well, that's a queer way for a Baptist paper to speak of anybody who is outspoken against anything "atheistic."

Recently Evangelist E. D. Solomon of New Orleans was elected Superintendent of Evangelism by the Baptist Board of Texas. Report now comes to us that he has accepted. He is no experiment with these brethren. They know him.

The two Mississippians killed in the balloon accident near Norfolk, Va., last week, Capt. Watts of Indianola and Lt. Burns of Brandon, were of our own Baptist people. Our deepest sympathy is with those who have suffered so great a loss.

Mrs. Lizzie George Henderson of Greenwood, has written a strong open letter to the members of the Mississippi Legislature urging adequate educational provision for our boys and girls. She is a worthy advocate of the best for our young women.

A Methodist pastor in Ashville, N. C., has installed a wireless system by which sick people in the nearby sanitariums may hear his sermons. O good move. There are more neglected sick people about Ashville than any other place we have any knowledge of.

Brother J. C. Richardson will finish his work at the Louisville Seminary in May, taking the Master's degree, and ought to be brought back to Mississippi. He is an alumnus of Mississippi College, was a useful army chaplain and has had successful experience as pastor.

The Monroe County Baptist Sunday School Convention met at Aberdeen March 5th. On the program were J. E. Byrd, Arthur Flake, Miss Minnie Brown, Mrs. Cliff Davis and plenty of

good home talent. Mr. W. R. Smith is President and Dr. G. T. Tabb is Secretary.

The Railroad ticket for the round trip to the Southern Baptist Convention in Jacksonville, Fla. will be from Jackson, \$32.85. The Pullman ticket will cost \$6.75. There will probably be several hundred to go from Mississippi. Fuller announcements will be made later.

The First Church at Corinth has called Dr. T. W. Young pastor First Church, Columbia, Mo., and he has accepted. Dr. Young is a native of Tennessee, an Alumnus of Union University and will be a helpful acquisition to our Mississippi ministry. We value his friendship from Seminary days.

Missionary Lightsey organized a church with 36 members at Gilchrist Camp in Jasper County last Sunday. He has no superior as a colporteur, always putting good books and the Baptist Record into the homes of our people, good ideas into their heads and good purposes into their hearts.

It is said that a last the treaty between the United States and the Republic of Columbia in South America has been ratified. This settles the controversy over the secession of Panama by making that country independent and payment by the United States of 25 million dollars to Columbia.

Prof. Charles D. Johnson, an alumnus of Mississippi College, who has taught in Ouachita College for several years, and has taken his post graduate work in the University of Iowa, will have charge of one of the departments in Baylor University next year, having been elected to the position recently.

A month ago Rev. C. D. Daniel and a lady assistant, who are working as missionaries among the Mexicans in El Paso, were arrested for distributing religious tracts on the street. They were soon released. But now Miss Lillie May Weatherford has filed suit against the mayor and police chief for \$75,000.00 on the charge of false imprisonment.

The many friends of Bro. W. W. Kyzar will rejoice with him in the favor of God on his work at Blytheville, Ar. He "likes it fine" and the field is full of opportunities. There have been sixty two additions to the church in the past two months, forty-eight of them by baptism. They propose to enlarge their church as soon as the 75 Million Campaign is attended to.

Two requests: Will more of the brethren write good things for The Record, things new and old. Secondly, will those who write be brief. Not one in ten will read a long article. Maybe they ought. We think they ought. But they won't. The surest way to keep anything from being read is to spread it over a page.

The First Baptist Church of Corinth, Miss., has called Dr. T. W. Young of Columbia, Mo., as pastor, and he has accepted. Dr. Young is a great gospel preacher, a scholar of note and a cultured orator. Our church is fortunate in securing such a great preacher. He will be a big asset to the army of preachers in our state.

God's Call to Mississippi Baptists

OUR TASK BY MAY 1st

Mississippi Baptists have promised to pay annually \$841,170.00. We have paid up to March 1st, \$219,462.81. We are due to raise by May 1st, \$622,454.19.

Look at the statement below and see what part of this amount your county and your church is due to raise. The report published

below gives only standing of the churches for this year, beginning May 1, 1921, and ending May 1, 1922. The last column shows what your church must raise by May 1, if it reaches its annual pledge.

Let us go forth to win the victory. We can do it in the strength of the Lord.

IS THIS US?

On last Wednesday afternoon there were as many as several trains scheduled to leave Jackson at the same time. The trains were on time and the tracks were pretty well filled up. Passengers had detrained and entrained and were waiting for the start. Soon the motion began but it was hard for those sitting by the windows to know whether their train was in motion or whether it was the one next to them going in the opposite direction. Several had acknowledged to being deceived. Among them was a curly headed, bright eyed little girl about 4 years old who said, "Now you are going!" But in a second her mother said, "That's the other train moving." Again there was a lurch of the train and the little tot jumped upon the seat and with a puzzled face said very loud, "Is this us?"

Maybe it was because the subject had been so much on our hearts lately, but this is the train of thought and inquiry it started in our minds. Our round up campaign for the spring collection of our 75 million pledges is on. All the forces of our organized work are planning for a straight forward movement to redeem our promises and keep faith with God and the needy world. Steam is up and the baggage and mail are being loaded. But there are many currents and counter currents. Some are headed one way and other forces are headed in opposite directions. "Some are pleading the promises and commandments of God, while others are pleading hard times. Some are pleading the cause of a lost world, of the poor, the sick, the orphans, the aged minister, and of our uneducated boys and girls, that all may be given a chance. Others are expressing caution and uneasiness. But it is time for the trains to move. You feel the rumbling of the wheels and the pull of the locomotive, but which train are you on? Which direction are you headed? When the whistle blows, the bell rings and the signal is given to start the work and the train is in motion, which one are you on? As we are headed toward our goal of 75 million, "is this us?"

YAH! LET US ALONE!

This expression is found in Lk. 4:34 and was the utterance of "a man with an unclean demon." In the Greek of the New Testament it is just one word of the letters Y-A-H, and is pronounced much like the exclamation "Yah!" as when a man sees a boy doing something from which he wishes to stop him immediately and he yells at him "Yah!" which means in effect, "Let that alone," or "Stop that!" Some think it is simply a natural exclamation while others say it is the imperative

of the Greek word which means "Let be," or "leave alone." Whatever its etymology, its meaning is very clear, and the King James translators did not miss it when they translated it, "Let us alone." The margin of the American Revision also gives it "Let alone." When pronounced with a guttural termination our English exclamation "Yah, may very well have a demoniacal sound to it.

Any way this is the demoniacal attitude toward Christ and his work. Every entrenched wrong when it is disturbed will answer "Let us alone!" That is what the whiskey business did for generations. It simply desired to be let alone. That is what the gamblers are saying in the few states today when efforts are being made to stop their betting on horse races. That is what they said in Jackson last fall at the state fair. That is what an injunction against interference by the preachers meant: "Let us alone." That is what oppressive employers say to the preachers when their selfishness and tyranny are exposed and condemned. That is what some teachers of destructive theories of so called science are saying when committees of investigation are appointed to inquire into their faith destroying doctrines. The cry is raised "Let us alone."

Perhaps worse than any of these is the fact that some preachers and churches are crying "Yah! Let us alone! Don't be talking drive to me. Don't be bringing on any more campaigns. Please neep away with your round ups. Don't bother us with your appeal." What's the trouble here? Is it that some folks are asleep and don't wish to be waked up? Are some so set in doing nothing, and fixed in their complacent, ease loving satisfaction that they resent being disturbed? Does the tiger show his teeth when he light is turned on? Remember it was the devil who said: "Yah! Let us alone."

WHENCE IS HE?

How to account for Jesus has been the puzzle of unbelievers thru every generation. It began back there in the synagogue at Nazareth. They could not account for him. They could not vote him out of existence. They did not deny his wisdom and his power. They witnessed to it by their very amazement and their outspoken bewilderment: "Whence hath this man this wisdom, and these mighty words?" And then naturally they began to think of his family origin and connection: "Is not this the carpenter's son? Is not his mother called Mary, and his brethren, James and Joseph and Simon and Judas? And his sisters are they not all with us?" They knew them all; and that was what puzzled them. Instead of accounting for him, they only made the more impossible to account for him. They were face to face with an impossible situation.

Jesus has, had his enemies with their backs to the wall ever since, fighting for their existence as unbelievers. There is a class of men today who are trying to account for him historically and scientifically. They are people who believe only in the natural, and that everything man included is a product of anterior physical forces. When we insist that independent of natural forces and back of them there is a will which originates action and a person who is the cause of change, they will insist that these are themselves only the product of material forces.

They are in the predicament of the man who was relating a wonderful story of seeing a whole orest petrified. In it was a man with a gun and these were standing petrified. The man had shot and killed a squirrel which was suspended in mid air petrified. When told that was impossible because the attraction of gravitation would bring the squirrel to the ground, he was not to be defeated but replied the law of gravitation was petrified too. These wise people would have us believe the free and independent will of man today is the inevitable product of blind, irresistible forces inherent in matter.

Of a piece with this reasoning is the claim that Jesus was a product of his time, the result of environment and forces at work in the world and

particularly in Nazareth when he was brought up. But the whole testimony of the Bible and of every contemporary witness, the friendly and the unfriendly is that instead of being the result of forces at work in his generation, he was a protest against the age in which he lived and unlike any other moral product of his time. The people among whom he grew up were amazed that he was altogether different from any of his own kinsmen, and those with whom he was reared. There were his mother and his brothers and his sisters, still living and well known, but they were not like him. The people said "whence hath he this wisdom and these miraculous gifts?"

The people who try to account for intelligence and power on the principle of evolutionary development are not only mentally stupid; they are morally blind, and corrupt. These very people who acknowledge their inability to account for Jesus on the evolutionary hypothesis, were yet unwilling to acknowledge his moral claim on them or his spiritual sovereignty. It would seem that their embarrassment would have led to reverence for him and faith in him, but it happened quite to the contrary. They were offended, made to stumble in him. Our intellectual meanderings lead only to darkness, and moral obliquity precipitates the rejection of Jesus.

ARE BAPTISTS PROTESTANTS?

This is a question that comes up often and is generally answered by Baptists in the negative. This time it reaches us from brother D. B. Cowart of Charleston. The editor of the Record has despaired of settling all controverted questions, for strange to say, that after he has spoken, people go right on thinking as they please and speaking their minds as if nothing had happened to settle everything. But the appeal has come to the editor and he accepts the challenge.

Baptist are not Protestants considered historically. That is to say when the Protestant Reformation began 400 years ago, and there was a wide secession from the Roman Catholic Church, Baptists were not among the seceders for they were never Catholics. Luther protested against the abuse and corruption of the Roman Catholic Church. He left it for he had been a devoted Catholic. This is likewise true of the French and Swiss and English Reformers who abandoned Romanism and made a vigorous protest against its teaching and practices.

Baptist did not spring from Roman Catholicism but came directly from the Lord Jesus Christ and were the product of the Word of God. But because they hold something in common with those who oppose Romanism and because doctrinally they are more antagonistic to Rome than any other denomination, and because their preaching and practice is a continual protest against all that is corrupt in Romanism, they are generally classed as Protestants. The word Protestant has come to stand for any class of Christians who are not in harmony with what is called Catholicism.

Who can remember when there were no Ford cars. They are so multitudinous today that they seem to have been here always. And yet we are told that Henry Ford says that seventeen years ago he had nothing. Last year his income is said to have been over a hundred million. This has and furnishing a car at a possible price. There's a chance for you yet, young man.

Well, people knew that when the Knights of Columbus got busy to write a history of America something new would be discovered. Now comes the statement that an Irishman discovered America in the sixth century.

Brother J. W. Kitchens, ministerial student in Clark College heartily thanks the Women's Missionary Society of Mt. Pleasant community for a valued box of fruit. This is a fine way to help the cause of ministerial education.

A APPRECIATED COMMENDATION

Dear Miss Lackey:
 Last week we finished "Laborers Together." I wished each time you would step in and see the interest that each one took in class. It was the most enthusiastic class I have had. I gave twenty-five questions. Ten out of twelve have finished papers; one was out of town and one moved away. We certainly have a live band of workers. I asked the question "Do you contribute to the 'Blind Girls Home'?" So tonight I have fifteen dollars to send. So you see the book is serving in more ways than one.

With best wishes,
 E. L. ADAMS

SUGGESTED CHANGES IN CONSTITUTION

The following suggested change in our constitution, Article VIII entitled "Executive Board" is hereby being printed for the second time. It now reads thus:

"The Executive Board shall be composed of the President of the W. M. U. Convention, the Six Vice Presidents, College Correspondent, Personal Service Leader, Mission Study Leader, Stewardship Leader, Margaret Fund Trustee, Training School Trustee and six members residing near Headquarters.

The last clause of the above is changed so as to read thus:

"And six members, one from each of the six Districts."

LETTER FROM MISS MARY ANDERSON

Poqi To Academy
 Canton, China

My Dear Miss Lackey:

How can I ever thank you rightly for that lovely shower of books! It just seems too good to be true. I am sure that you and the dear Societies that made it possible, will never know how much joy this beautiful act of remembrance has given and will continue to give me.

Yes, the books did come long before your letter and I couldn't believe they were mine. As I opened parcel after parcel my eyes got bigger and bigger! I wrote my name in each book lightly with a pencil so that it could be erased easily. You can imagine how proudly I wrote my name with a pen as soon as I received your letter.

Just think of owning a copy of "Uncle Remus." I am so glad too to have "The Christ We Forget." I have wanted so much to read it. You have made such a wonderful selection of books. I think that anybody in any mood could find just the book to satisfy her heart and mind in this little library you have sent me. Today when I had only a few minutes I found such satisfying little gems in "The Path to Hohe," and "Golden Stars." I wonder if you know that Chinese girls are always begging for stunts—and I am sure you is hard to find a stunt that is new to Canton girls! You must have known that when you selected "Ice Breakers." And I might tell you just why I am especially glad to

have each book you sent, but you haven't time, nor have I.

My friends and co-workers are enjoying the books too. I hope they will be a blessing to our Mission—and even to people outside of the mission. A Northern lady who lives near us and helps us in the work especially enjoyed "Mammy's White Folks." An Austrian woman who lives in a Chinese village near Canton called to see us yesterday. She was reared in America and she gets very lonesome for American friends. I asked her to take some of my books to read and I was so pleased when she said, "If you have anything religious I would like to have that for I am feeling the need of it." I gave her Dr. Truett's book for I felt sure he would have a message for her.

I can hardly wait to read all of the books myself. I have not had a vacation for two summers but I expect to take one next summer and what a feast I have in store. I plan to lose myself in these novels. In your mind you may make a companion to your picture of a snow-bound missionary in her library. You may see me in kimono with "Martha-by-the-Day" in one hand and a palm leaf fan in the other in the coolest—I should say least hot—place I can find next August.

When I learned that the books came through your inspiration, my first thought was, "I wish she had put in a copy of 'Laborers Together.'" But before I asked, you answered. I have read some of your book, and like everybody else, I found it so interesting. It was good of you to give so much space to our school work in Canton. We appreciate it greatly.

We think about Elizabeth and talk about her often but we seem "so near and yet so far." How thankful we were when we heard that she passed through even cholera in safety. Please give my best love to dear Mother. Give my love to Jim and W. M. too please. I know they are big men now but I still see them and Whitfield Eager wandering through the woods as little boys learning the secrets of Nature.

I think it is so wonderful that you will be able to meet your apportionments by May. So many letters have told of the hard time especially in the Delta. I am so glad that Miss Fannie Traylor is still with you. She is one of the people that I just long to know better.

You asked me to tell you what books I would especially like to have. I hesitate to do this as your selection is far better than I could have made. However I am going to suggest two books that I should like very much to have if it is perfectly convenient for you to send them some day. One is, "The Friendly Stars." It was in the Chatauqua Course many years ago but I do not remember the author nor the publishers. Please do not go to any trouble to locate it. If your dealer doesn't happen to have it just leave it off the list. The other book is Ben Hur. Our girls gave some scenes from Ben Hur Christmas but they had a translation of only a few of the scenes. In trying to tell them the other parts of the story I realized how much of it I had forgotten and I longed for a copy of it.

Yesterday I received a shower of lovely dolls from the Philathea Class at Wiggins, Miss. I imagine it was inspired by you, or at least by your book. This is a wonderful treat for a Chinese girl's love for dolls is wonderful to see.

How blessed I am in my dear Mississippi friends and how lovingly my heart turns to the Baptist ladies of my own State in the dear homeland.

Auntie joins me in much love for you and your co-workers, especially Mrs. Kethley. Auntie is marvelous. Her health is better than it was when I returned from furlough but she is not strong and she needs a long restful furlough.

With a heart full of love and gratitude for you, my dear, dear friend, I am,

MARY ANDERSON.

Prime Minister Lloyd George has announced that Great Britain will withdraw from Egypt leaving that country and people to work out their own destiny. They are left to sink or swim. Great Britain retains control of the route to the East, and will insure that all foreigners are protected and that no foreign country steps into her shoes in Egypt. There has been long unrest in Egypt, but it is very doubtful if the people will be able to maintain a stable government.

Three days of last week were spent by the Editor with Pastor Owen Williams and the church at Forest in a Bible Institute. It was our part to speak on "The Person and Work of the Holy Spirit." Dr. C. C. Carroll, of New Orleans, spoke six times on Christ and the phases of his work. Brother J. E. Wills of Hattiesburg spoke on "The Mind of the Master." Other speakers were H. L. Strickland, Dr. R. B. Gunter and Rev. Bryan Simmons. There were quite a number of visiting preachers from neighboring churches and a fine spirit pervaded the whole meeting. The Forest Church bore the expense of the institute and royally entertained all who came.

The American Federation of Labor is trying to get the Prohibition law repealed. Now we are a brother to every man who works and have high regard for unions that seek the good of their members, but if union labor is going into partnership with the liquor business, there it will lose the sympathy and support of the best people of this country. To our personal knowledge, the worst enemy that some of the labor unions have is this same liquor business, and the worst thing that can befall them is friendship with liquor. We do not believe that laboring men in this part of the country will support any pro-liquor fight, and we hope they will speak out in opposition to any effort to repeal the Volstead law. There is no more chance of repealing the Volstead law than of impeaching the President of the United States.

Dr. E. B. Hatcher writes that the Lowrey Memorial church has a committee whose business it is not merely to get the Baptist Record into every home, but also to stimulate in wise ways the reading of it. Good! It is necessary not only to furnish preaching to people but to get them to church to hear it, and then keep them awake that they may hear it.

We are not crowing but we don't feel so bad when we hear that in 1921 Baptists paid sixty per cent of their campaign pledges, while Southern Methodists paid forty per cent of theirs and northern Baptists twenty-five per cent.

Recently the Religious Herald of Richmond, Va. wrote all presidents of Southern Baptist Colleges asking if anything discrediting the Bible is taught in their schools of course they said there is not. The only school man who said evolution is taught in his school is President W. L. Poteat of Wake Forest. His reply was as follows:

My dear Dr. Pitt:—In answer to your question of January 23d, whether there is in the Wake Forest scientific or other departments of instruction any teaching which eliminates or ignores God or discredits in any way the fundamental tenets of the Christian religion, I am happy to be able to say that there is no such teaching. The doctrine of evolution as the divine method of creation has been taught here frankly for many years, and that proclaims God and supports the fundamental tenets of our holy religion. Our teachers are here for the purpose of equipping men for the spread of Christian truth and the promotion of the Kingdom of God. And I am happy to believe that the representatives of Wake Forest in all parts of the world and in all forms of Christian service bear testimony to the success of this high purpose.

Very truly yours,
 WM. LOUIS POTEAT.

B. Y. P. U. DEPARTMENT

AUBER J. WILDS, Field Secretary, Oxford, Miss.
 "We Study That We May Serve."

THANKS PASTORS

Last week we sent out requests to all the pastors to send in the names of the leaders of BYPU's and write this to express our appreciation for the ready response on the part of the pastors. Already a very large number responded and others are coming in on every mail. This new list will make it possible for us to make the B. Y. P. U. Department more effective than ever before.

MAGEE'S TRAINING SCHOOL

A finer crowd of young people than those of the Baptist Church of Magee has not been visited by the State representative of the B. Y. P. U. work. Beginning on Friday Feb. 17th, and running for four days it was our pleasure to hold a Training School in this church. There are three dandy B. Y. P. U. seniors with Mr. J. B. Lockhart president, an Intermediate with Miss Hattie Turnipseed as leader, and the Junior we organized there with Miss Merle Waldrop, leader. We had a class in the Intermediate Manual beginning at six o'clock lunch with social features seven o'clock and from seven-thirty to eight-thirty a class for the seniors. Perfect order, strictest attention, and real sure enough work on the part of every B. Y. P. U. member marked the school as being one of the best for the length of time spent there, that we have ever held. Pastor Moore is rightly proud of his young people. 56 took the test on the two books Monday night. Beginning as we did on Friday, having classes through Satur-

day and Sunday, made it just a little different from our usual plan, and made the success of the work the more marked.

Taylorsville Organizes Two

On Saturday and Sunday Feb. 18 and 19 we ran over from Magee between trains and had meetings of the young people of the Taylorsville church. Saturday it was just to talk over the work, Sunday it was to organize two interesting B. Y. P. U. seniors, one Junior. The following officers were elected, Seniors, Leader, Mrs. Tillson; Pres., Winnie Craft; Vice Pres., Oscar Smith; Secy., Grace Blakney; Cor. Secy., Minnie Lee Boykin; Chorister, Bessie Keene; Treasurer, Rhodin Hord; Drill Leader, Mr. Glenn Goodman. The Juniors elected, Leaders, Miss Myra Yelverton and Mrs. E. B. Perry; Pres., Evon Ford; Vice Pres., Hascol Ruffin; Sec. Curtis Ford; Cor. Secy., Braddis; Chorister, Rachel Risher; Treasurer, Aileen Shows; Librarian, Verdine Bryant.

They could not be found, so don't miss them.

5th Ave. Hattiesburg.

During the week Feb. 21-25 the young people of the Fifth Ave. Baptist Church came together for an hour each evening and studied the two B. Y. P. U. Manuals. It was the week for the Training School in the Womans College. The work at the college was in the morning and afternoon and although the plans were not previously arranged, Bro. Derrick the pastor of Fifth Ave. anxious to do all he can, for his young people; got busy and worked up a good crowd for both classes. It was the pleasure of the State Secretary to have Mrs. Wilds with him for the week. Mrs. Wilds had a fine class of Juniors, and there were a goodly number considering the short notice on which the school was worked up, in the senior class. On Friday evening quite an interesting little social was given. One of the interesting features of the social was a debate "Resolved that it is easier to make tea in a coffee pot than it is to make coffee in a tea pot." Good punch was served, the kind that has a "punch" but not a "kick." It was decided that this rapidly growing church should

have three B. Y. P. U. seniors instead of two and so soon we hope to have the report of the organization of this third union.

Contestans for the "Other Work" Banner.

You will send in your reports now as soon as you can get them finished as the contest runs from March to May. As a guide for you we are herewith listing the six (6) points we have been considering in this contest.

1. How many other B. Y. P. U. seniors have you organized.
2. What per cent of your members will lead in public prayer if called on.
3. What per cent of your members attend prayer meeting services of the church.
4. What has the union done towards beautifying the church buildings and grounds.
5. Has the union taken a Mission Study (not Study Course) book during the year. If so how many, and what per cent of the members took the work.
6. Enumerate the work of benevolence done by the union.

Dr. DAVID HEAGLE

Reverend David Heagle, Ph. D., D. D., LL. D., Professor Emeritus of the Northern Baptist Theological Seminary, died in Chicago on Monday, February 13th. Dr. Heagle was born in Montgomery County, New York, April 15th 1836. He was graduated from Union College in 1859 and from Rochester Theological Seminary in 1861. He was ordained in Kalamazoo, Michigan, July 27th, 1863, and was pastor of the First Baptist Church of Lansing. From 1863 to 1865, he was chaplain of the First Regiment of Sharp Shooters of Michigan. His later pastorates were Darlington, Wisconsin, Jefferson and Indianola, Iowa, Jerseyville and Princeton, Illinois, Evansville and Valparaiso, Indiana, and acting pastor of the White Temple, Portland, Oregon.

His larger reputation, however, was as a lecturer, author, and teacher, and as one of the founders of the Northern Baptist Theological Seminary in 1913. For many years, he gave much time to lecturing on SOLOMON'S TEMPLE AND JERUSALEM, actually speaking several thousand times upon this subject. During the World's Fair at St. Louis, his lecture was one of the regular features. In this way he became one of the well-known characters in religious America.

He was the author of many books. Probably the one on "Do The Dead Still Live?" was the most widely read, going through several editions. This book was issued by our Publication Society a few months after the close of the Great War and aroused much interest. Other books were "That Blessed Hope"; "The Lord God of Elijah"; "The Tabernacle in the Wilderness"; "Six Days of Creation"; "The Bible and Modern Criticism"; and translations of "The Bremen Lectures." He was professor in Des Moines College, professor and dean of the Theological Department of Southwestern University, Jackson, Tennessee, professor in the Theological Department of Ewing College, and Professor of Systematic Theology in the Northern Baptist Theological Seminary until 1919 since which time he has continued his work in charge of the Correspondence Department. Dr. Heagle was a veritable theological encyclopaedia, a vigorous thinker, an acknowledged scholar, a forceful speaker, and an effective teacher. He was a man of strong convictions, and warm feelings. He was intensely devoted to the institutions he served and was tenderly attached to his many students and followed their careers with deep interest.

The funeral services were held in Chicago on Wednesday, February 15th, and were conducted by his pastor, Rev. J. J. Ross, D. D. Short addresses were given by Bishop Samuel Fallows, who had been for over fifty years an intimate friend of Dr. Heagle and like him was a veteran of the Civil War, by Dr. M. P. Boynton of the Woodlawn Baptist Church and by Dr. James P. Abbott, Baptist Theological Seminary.

On Wednesday, February 22nd, a memorial service will be held in the

chapel of the Seminary, when short addresses will be given by Reverend Wilfred Noble, Reverend Albert G. Johnson, and Reverend W. H. Peebles, all of whom were his students. Also Dr. J. H. Byrne, Thomas J. Bolgar, and L. J. Lippert, officers of the Board of Trustees of the Seminary, and by professors and students who were associated with Dr. Heagle.

Dr. Heagle leaves two daughters and several grandchildren.

George W. Taft.

MONTICELLO, MISS.

Today completes two months of service on my new field, which is composed of Monticello, Oma, Providence and Rockport. We survived the "pounding" which initiated us into the newly purchased Pastorum. And this, too, after just having been through a heavy "shower" with which our former six-year pastorate at Ellisville was formally closed.

The Lord has greatly blessed us these two months. Notwithstanding the bad weather, we have held every service in each Church. New evidences come up constantly that God led us here. I am persuaded that there are no better people than these

There are many visible signs of rapid development along all lines of service. How could the pastor be other than happy?

1. The contest is open to every man, woman, girl or boy living in America, except employees or relatives of E. J. Reeper, 9th and Spruce Sts., Philadelphia, Pa.
2. You must use only one side of paper. You must number your list of objects in regular order—1, 2, 3, etc. Your full name and address must be written on each page in the right hand corner. Use a separate sheet for anything you may wish to write outside of your list of names and your name and address.
3. English words only will be accepted as they appear in the English dictionary. Obsolete words will not be counted. Both the singular and the plural of a word will not count; neither one of them may be used.
4. Compound or words which are made up of two or more complete English words cannot be used.
5. The same spelling of a word will be counted only once even though it is used in different articles or parts of them. Each article or object can be given only under one name.
6. Two or more people may co-operate in answering the puzzle. However only one prize will be given to any one household. No prize will be awarded to more than one of any combination outside of the list of names.
7. If a contestant sends more than one list under the same name, an assumed name, or a pre-married name, then all lists of such contestants will be disqualified.

Win the \$5000 Prize!

A one package order for Reeper's Yeast Tablets qualifies your list for first prize of \$500. A two package order qualifies you for \$1000. But if you have ordered five \$2.00 packages and your list is largest and nearest correct, you win \$5000. Study the Prize List.

Improvements--New Periodicals Cut in Prices--Revision of Graded Periodicals

1. IMPROVEMENTS IN PERIODICALS—

With the second quarter of 1922 (April to June) we will inaugurate extensive improvements in all our periodicals—better paper, heavier covers extra pages in the Intermediate, Senior, Adult Bible Class and Home Department and B. Y. P. U. Quarterlies, enabling us to enlarge the type and extend the treatment..

2. NEW PERIODICALS. We will offer several new periodicals—

A New Quarterly for the B. Y. P. U. We now have three instead of two, as formerly. Junior B. Y. P. U. Quarterly for ages 9-12. Intermediate B. Y. P. U. Quarterly, ages 13-16, and B. Y. P. U. Quarterly for Seniors.

Two New Papers—The Boys' Weekly and the Girls' Weekly, take the place of the Baptist Boys and Girls, which will be discontinued. Supply the boys and girls separately.

3. A CUT IN PRICES. We are glad to announce changes of prices, effective April issues. Reductions will cost us over \$15,000 a quarter, or over \$60,000 a year, but we believe they can safely be made.

In Sunday School Periodicals (effective April issues): Children's Quarterly, from 6½ to 5½c; Junior Quarterly, 5½ to 5c; Adult Bible Class, 8 to 7c; Junior B. Y. P. U., 8½ to 8c; B. Y. P. U. Quarterly, 10½ to 10c; Teachers', 25 to 22½c; Kind Words 25 to 22½c.

In Our Teacher Training Books, (effective March 1st): All Teacher Training Course books previously selling for \$1.00 cloth and 60c paper will now be 75c and 50c. Books in these courses previously priced 75c cloth and 50c paper will now be 60c and 40c.

All B. Y. P. U. Study Course Books previously selling for 90c cloth and 60c paper will be 75c and 50c, while books selling at 75c cloth and 50c paper will be 60c and 40c.

4. A REVISION OF THE GRADED PERIODICALS. We are planning to completely revise our graded periodicals at considerable expense—they will be made almost new. It is hoped to have the Intermediate Grades ready by October 1st. Pending such revision, no changes will be made in prices.
